Walt Disney World®

The Walt Disney World Resort in Florida is now 15 years old and we're celebrating this momentous occasion with a yearlong festival of magical parades, delightful stage shows, spectacular special events and fabulous prize giveaways.

The Gift-Giver Extraordinaire Machine has moved to Walt Disney World and is now awarding valuable prizes every 15 seconds. Four times a minute, lucky visitors to Magic Kingdom Park and Epcot Center will receive such exciting prizes as World-Passports, Lorus Mickey Mouse wristwatches, RCA color TVs or, the grand prize, brand new GM cars. In fact, the Gift-Giver will be giving away one GM car every day during the yearlong celebration.

Plus, you'll find there's always something new at the Walt Disney World Resort. At Epcot Center, it's The Living Seas, presented by United Technologies. Now a year old, the eighth wonder of Future World continues to create unprecedented waves of excitement.

Also new to Epcot Center is "Captain EO," a stunning 3-D space fantasy starring superstar Michael Jackson and Academy Award-winning actress Anjelica Huston. A dazzling 3-D thriller, "Captain EO" plays at the Magic Eye Theater in Journey into Imagination, presented by Kodak.

For Magic Kingdom Club families such as yours, a Walt Disney World vacation means almost limitless leisure opportunities. Besides the Magic Kingdom and Epcot Center, Walt Disney World features golf, tennis, swimming, horseback riding, boating and a host of unique shopping and dining experiences, to mention but a few of the many entertaining and enjoyable activities waiting for you and your family.

To take advantage of all the excitement of a Walt Disney World vacation, simply pick the Magic Kingdom Club Vacation Plan that's right for your family and the Magic Kingdom Club Travel Center will take care of the details.

Disneyland®

Walt Disney once said that Disneyland would "never be completed as long as there's imagination left in the world." True to Walt's word, the Magic Kingdom becomes even more magical with each passing year.

From its humble beginnings in 1955, when Disneyland opened with 22 major attractions, "The Happiest Place on Earth" has grown to nearly 60 adventures and attractions, including three major additions that have recently debuted or will premiere soon.

Out past the rumbling trains of Big Thunder Mountain Railroad is the new Big Thunder Ranch, an 1800s homestead featuring a log cabin, stables, a petting farm and a restaurant serving such down-home favorites as chicken and ribs, ranch-style beans, corn-on-the-cob and cherry cobbler.

In the new Magic Eye Theater in Tomorrowland is the out-of-this-world 3-D space fantasy, "Captain EO," starring Michael Jackson. Directed by Francis Coppola with George Lucas as executive producer, "Captain EO" is a stunning special effects thriller with a loveable cast of interstellar misfits.

And, opening in early 1987, is the exciting new "Star Tours," featuring R2D2 and C3PO from "Star Wars" and the wildest trip through the cosmos you'll ever take.

Plus, you'll also enjoy the more than 50 other adventures and attractions throughout Disneyland, including such perennial favorites as "Pirates of the Caribbean," "It's a Small World" and "Space Mountain."

Operating Hours

For 1987, Disneyland will be open every day. Extended hours will be in effect during the summer and holiday seasons. Operating hours are subject to change without notice. For further information on operating hours or special events, please call: (714) 999-4565.

Two Night Family Getaway

Includes per person:

- Two nights' accommodations at the hotel or motel of your choice
- Two days' admission and unlimited use of all adventures and attractions in Disneyland (except Arcades)
- Transportation between your hotel or motel and Disneyland

Coto de Caza means "The Preserve of the Hunt" and that's exactly what this picturesque resort in Orange County, California, is. The natural beauty of Saddleback Valley has been carefully and skillfully preserved and enhanced by recreation, lodging and dining facilities designed to harmonize with the natural surroundings.

One of the finest recreational resorts in the West, Coto de Caza offers such pleasures as swimming, bicycling, hunting, skeet shooting and horseback riding, and now, with the addition of a beautiful championship course, golfing. In addition, there's the Vic Braden Tennis College for those wishing to improve their court game and the Equestrian Complex, which features the most comprehensive facilities and instruction on the West Coast.

Coto de Caza also has a General Store—complete with an old-fashioned soda fountain and hitching posts for horses—and Youth Park, offering outdoor games and activities for young and old alike.
